

**The Erpingham Union Paupers, plus their friends and relations**

Please check the related set of minutes (third column of this table) to see the full context.

**Note of Caution (1):** It is almost certain that errors were made in the minutes when recording names. This is particularly true of Christian names that were in some cases unknown (or not remembered) and in others simply guessed at. Because of this, one person may appear in the list more than once.

**Note of Caution (2):** When a Parish was mentioned in relation to a Pauper it was not always clear whether it was the Pauper's place of legal settlement or his/her place of abode. I have tried as far as possible to differentiate between the two!

**Note of Caution (3):** It's possible that a set of dates here may relate to more than one person.

Please get in touch (oldshuck@virginmedia.com) if any of these people are 'yours' and you can help to clear up inaccuracies or add more detail.
